ESFJ

What are ESFJ's like?

ESFJs are sensitive, energetic, helpful and sociable. They deem tradition and authority as sources of absolute truth. Physical appearance, social status, hierarchy and tradition are high priorities because they can be sensed and observed. ESFJs love being role models and being placed in positions of power simply because they feel the need to take care of their group. They have a genuine desire to use their talents, assets and personality to be of service to those they care for.

The Provider

Extravert

Likes to be around people. Active, has high energy. Likes to take initiative. Outgoing and enthusiastic. Talks more than listens.

Sensing

Aware of, and trusting facts, specifics, details, past experience and present realities. Is often observant, realistic and pragmatic. Lives in the here-and-now.

Feeling

Uses personal values, feelings and subjective criteria to make decisions. Ruled by the heart, not the head. Diplomatic, tactful and empathetic. Motivated by appreciation and prefers to avoid arguments and conflicts.

Judging

Organized, strategic, and disciplined. Responsible with a strong work ethic. Likes to use checklists and stick to schedules. Likes to be prepared and plan ahead.
