ENTP

What are ENTP's like?

ENTPs are often described as analysts. They like to be both mentally and verbally challenged. They enjoy debating and playing the devil's advocate. They prefer activities and pursuits that stimulate their intelligence. They can be open, very charming, and good communicators. ENTPs build good relationships with friends, colleagues, and loved ones. They can be sweet, loving, and demonstrative of their emotions.

The Inventor

Extravert

Likes to be around people. Active, has high energy. Likes to take initiative. Outgoing and enthusiastic. Talks more than listens.

iNtuitive

Imaginative, creative, and introspective. Good at analysis of complex topics. Focuses on the future instead of the present. Trusts gut instincts.

Thinking

Makes decisions based on logic rather than emotions. Ruled by the head, not the heart. More concerned with facts than protecting people's feelings.

Perceiving

Preferring spontaneity, flexibility and keeping options open. Being adaptable and going with the flow. Playful, less aware of time. Prefers to start projects, questions the need for many rules.
