

Computer Science Industry Seminar Series 2022

TECH Talk

with

entelect
everything is possible

08 JUNE
2022

12H00 – 13H00

TOPIC:

**CODING ADVICE AND TIPS FOR STUDENTS IN PREPARATION FOR
THE WORKING WORLD**

SPEAKERS

BIANCA MCFADYEN is the Marketing and Communications Manager at Entelect. She also spear heads the graduate programme. Her passion is people and facilitating their growth during their careers. She is an avid gamer and enjoys the occasional game of tennis and golf.

LinkedIn Profile: [linkedin.com/in/biancamcfadyen/](https://www.linkedin.com/in/biancamcfadyen/)

JENNA FREER is a Senior Software Developer at Entelect, with over 4 years of experience. She is a full-stack developer, having worked with many different tech stacks, but JavaScript is her main passion. Outside of work, she enjoys gaming and binging on the odd anime.

LinkedIn Profile: [linkedin.com/in/jenna-freer-b0a903148/](https://www.linkedin.com/in/jenna-freer-b0a903148/)
